Upcoming Event - Town Fair

Saturday October 3, 2009 is quickly approaching and many of our members are preparing their own company booths for the Town Fair. The Franklin Lakes Town Fair has become an annual event for many residents of Franklin Lakes and other close by communities.

This year's event commemorates the 87th Anniversary of the

Borough of Franklin Lakes. Gates open for attendees at 11 am and closing at 5 pm. In the event of rain, the fun will be rescheduled for Sunday, October 4th.

If you still want a table for your own business, please call Nancy Yarish at Borough Hall, (201) 891-0048. THE CHAMBER OF COMMERCE IS ALSO OFFERING

Not Boring at All... Its the Board

At the September 2, 2009 Board Meeting there was much discussion regarding the Town Fair Arrangements. Jeff Allen from Allen & Allen Insurance is making efforts to combine with other Chambers of Commerce to make educational events larger and have more networking opportunities.

Greg Scher from TD Banknorth is busy booking speakers and locations for upcoming General Meetings. If there is someone you know who will improve our local businesses, let us know.

Pat Mazzacano from the Villadom Times is heading up a revitalized welcome program for new businesses.

Don Lowery from Planet Beach Spa is already quite busy with our welcome bags for new homeowners. In addition to this Don is our primary coordinator for the Business and Consumer Discount Program.

And What About You?????

The FLCOC can not be successful without participation from local businesses. We urge you to contact these board members AND GET INVOLVED. *At the very least you can participate in the discount programs, new homeowner bags, and our VERY popular hitch a ride program (Advertising with our electronic and/or printed newsletters).* MORE board members are also required to fill vacancies. Please contact Lorianne Brunsch, Executive Assistant at brilorphoto@mac.com or (973) 209-1714 for more information.
